# Pringle Building Space for Rent

1,575 square feet of move-in ready retail space is available for rent in Sandersville's historic Pringle Building! Rental would include a separate storage building and a back lot that could be utilized for outdoor retail sales or even a garden for a hip new farm-to-table restaurant concept. In 2016, this area underwent a vital revitalizing streetscape project, turning Haynes Street into a beautiful thoroughfare. A new parking lot is about to open behind the Pringle Building, making for easy access to our facility. With a variety of established and incoming businesses, this downtown location is hopping with foot traffic! Join The Pringle Building, The Georgian, Liberty Tax, Arabella's Salon & Spa, Pickle Barrel, Chester Deans, and Chapman Trading Co. on the very active East Haynes St.
